

**Technical Spelling
(IL-TS)**
Science, Math, Engineering, & Technology/
Information Technology
State Only Contest

Technical Standard

Purpose

This contest creates an awareness of the importance of correct spelling in the career education programs related to technology, the health industry, trades or industry. It provides an incentive for students to improve their spelling skills.

Clothing Requirements

- *For women:* Business like dress or business like blouse and skirt or pants and with appropriate shoes.
- *For men:* Oxford or Polo type shirt meeting the requirements of Illinois SkillsUSA attire, well kept work pants and with appropriate shoes.

Equipment and Materials

Supplied by the technical committee:

- Tables and chairs
- Copies of the test booklets
- Answer sheets

Supplied by the Contestant:

- Two sharpened #2 lead pencils
- One-page, typewritten résumé

Scope of Contest

1. The contest shall be a 100-point multiple-choice test. The student shall complete an answer sheet as directed to indicate the correctly spelled words. Some of the questions will include no correctly spelled words.
2. The words are from the Technical Spelling Word Bank. Students shall be allowed to study from the list of words.
3. No Written Skills level competition will be required for this contest.
4. Students must be registered for the State Conference in order to compete.
5. Ties will not be awarded at the state level.

Note: No national competition is available for this event.

Test Bank of Words
