

2021 - 2022 CALENDAR OF EVENTS

The safety and health of our members is the number one priority of SkillsUSA Illinois. As an organization we plan to return to a traditional, in-person event calendar this year. We have partnered with risk management industry-leaders to develop plans and procedures to minimize risks around COVID-19. All events will follow the guidance of the Illinois Department of Public Health and Illinois State Board of Education. SkillsUSA Illinois will evaluate all information and make decisions on program delivery as event dates draw near.

Membership

Membership must be submitted by the participant's first SkillsUSA event or February 18, whichever occurs first.
