

*Woodworking Display - Illinois**

Career Competition

Career Cluster: Architecture and Construction

State Qualifying Exam: No

National Contest: No

Participation: Individual

Competition Description

Evaluate each competitor's preparation for employment and recognize outstanding students for excellence and professionalism in woodworking.

Tasks To Be Evaluated

The competition is designed to assess the competitor's ability to design and produce a woodworking display and answer questions in a brief interview related to all aspects of their creation of the design. Projects will be evaluated based on originality, degree of difficulty, overall construction, the accuracy of joinery, and finishing quality.
