ADVISOR DEVELOPMENT CONFERENCE

SEPTEMBER 15 | PEORIA, IL

The Advisor Development Conference is an opportunity for advisors from across the state to come together to learn more about how SkillsUSA can help ensure students are ready to enter the workforce and prepared for future success.

This year's event will focus on understanding the needs of our advisors to develop our organizational plan/vision for the future of SkillsUSA Illinois.

This is your opportunity to make an impact on our organizational focus for the next five years. Together we will look into ways to strengthen our programming and enhance the experience for all members, volunteers, and supporters.
